

App\Http\Controllers  
\Controller

```
graph BT; A["App\Http\Controllers\Admin\PermissionController"] --> B["App\Http\Controllers\Controller"]
```

The diagram illustrates an inheritance relationship. A light gray box at the bottom represents the parent class, and a white box at the top represents the child class. A blue arrow points from the parent class to the child class, indicating that the child class inherits from the parent class.
