

App\Http\Controllers
\Controller

```
graph BT; BaseController[App\Http\Controllers\ArquivoController] --> Controller[App\Http\Controllers\Controller];
```

The diagram illustrates a class inheritance relationship. At the bottom is a gray box labeled 'App\Http\Controllers\ArquivoController'. A blue arrow points upwards from this box to a white box at the top labeled 'App\Http\Controllers\Controller'. This indicates that 'ArquivoController' inherits from 'Controller'.

App\Http\Controllers
\ArquivoController
