

Model

```
graph BT; A["App\Models\ProcessoLicenciamento Mercadoria"] --> B[Model];
```

The diagram illustrates a dependency or inheritance relationship. A light gray rectangular box at the top contains the word "Model". A dark blue arrow points vertically upwards from the bottom center of a larger, darker gray rectangular box below it to the bottom center of the "Model" box. The larger box contains the text "App\Models\ProcessoLicenciamento Mercadoria" in two lines.

App\Models\ProcessoLicenciamento  
Mercadoria
