

App\Http\Controllers
\Controller

```
graph BT; A[App\Http\Controllers\nProdutoController] --> B[App\Http\Controllers\nController];
```

The diagram illustrates a class inheritance relationship. At the bottom is a gray box labeled 'App\Http\Controllers\nProdutoController'. A blue arrow points upwards from this box to a white box at the top labeled 'App\Http\Controllers\nController'. This indicates that 'ProdutoController' inherits from 'Controller'.

App\Http\Controllers
\ProdutoController
