

App\Http\Controllers
\Controller

```
graph BT; A[App\Http\Controllers\CustomerController] --> B[App\Http\Controllers\Controller];
```

The diagram illustrates a class inheritance relationship. At the top is a white rectangular box with a black border containing the text 'App\Http\Controllers' on the first line and '\Controller' on the second line. Below this box is a blue arrow pointing upwards. At the bottom is a gray rectangular box with a black border containing the text 'App\Http\Controllers' on the first line and '\CustomerController' on the second line.

App\Http\Controllers
\CustomerController
