

App\Http\Controllers
\Controller

```
graph BT; MercadoriaController[App\Http\Controllers\MercadoriaController] --> Controller[App\Http\Controllers\Controller];
```

The diagram illustrates a class inheritance relationship. A light gray box at the bottom represents the base class, and a white box at the top represents the derived class. A blue arrow points from the base class to the derived class, indicating that the derived class inherits from the base class.
